IT IS RECOMMENDED THAT YOUR BOARD:

Approve the project and adopt the plans and specifications that are on file in the Construction Division of the Department of Public Works for roadway reconstruction, in the City of Huntington Park and in the unincorporated community of Florence-Firestone, at an estimated construction contract cost between \$1,000,000 and \$1,200,000.
2. Instruct the Executive Officer of the Board of Supervisors to advertise for bids to be received and opened on April 17, 2012, in accordance with the Instruction Sheet for Publishing Legal Advertisement.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The purpose of the recommended actions is to obtain approval of the project from your Board; adopt

the plans and specifications; advertise for bids for the reconstruction of roadway pavement; and the performance of other appurtenant work.

Implementation of Strategic Plan Goals

The Countywide Strategic Plan directs the provisions of Operational Effectiveness (Goal 1) and Community and Municipal Services (Goal 3). The recommended actions will help achieve these goals by providing improved highway facilities for the traveling public, which will benefit the community.

FISCAL IMPACT/FINANCING

There will be no impact to the County General Fund.

The estimated construction contract cost to complete this project is in the range of \$1,000,000 to \$1,200,000. The total project cost is estimated to be \$1,943,000. In addition to the construction contract cost, the total project cost includes the preparation of plans and specifications, consultant services, survey, materials testing, inspection, contract administration, change order contingency, and other County services.

Portions of this project are in the City of Huntington Park (City). County-City Cooperative Agreement No. 75582 provides for the County to perform the preliminary engineering and administer the construction of the project, with the City and the County to finance their respective jurisdictional shares of the project costs, estimated to be \$301,000 and \$1,642,000, respectively. Funding for this project is included in the Fiscal Year 2011-12 Proposition C Local Return Fund and Road Fund Budgets.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

This project, to contract for the reconstruction of roadway pavement, is part of the Department of Public Works' (Public Works) ongoing highway construction and maintenance program. This project will be advertised in accordance with Section 20392 of the State Public Contract Code.

This project is to be completed in 85 working days. It is estimated the work will start in August 2012 and be completed in December 2012.

The contract agreement will be in the form previously reviewed and approved as to form by County Counsel.

The award of the contract will not result in unauthorized disclosure of confidential information and will be in full compliance with Federal, State, and County regulations. The project specifications contain provisions requiring the contractor to comply with terms and conditions supporting your Board's ordinances, policies, and programs including, but not limited to: the County's Greater Avenues for Independence and General Relief Opportunities for Work Programs (GAIN and GROW), Board Policy No. 5.050; Contract Language to Assist in Placement of Displaced County Workers, Board Policy No. 5.110; Reporting of Improper Solicitations, Board Policy No. 5.060; Notice to Contract Employees of Newborn Abandonment Law (Safely Surrendered Baby Law), Board Policy No. 5.135; Contractor Employee Jury Service Program, Los Angeles County Code, Chapter 2.203; Notice to Employees Regarding the Federal Earned Income Credit (Federal Income Tax Law, Internal Revenue Service Notice 1015); Contractor Responsibility and Debarment, Los Angeles County Code, Chapter 2.202; the Los Angeles County's Child Support Compliance Program, Los Angeles

County Code, Chapter 2.200; the Los Angeles County's Defaulted Property Tax Reduction Program Ordinance, Los Angeles County Code, Chapter 2.206; and the standard Board-directed clauses that provide for contract termination or renegotiation.

The State Public Contract Code requires the County to award construction contracts to a responsible contractor with the lowest responsive bid, which is defined as the firm that: (1) submits the bid with the lowest cost; (2) is deemed by the County to be responsive to specific criteria under the solicitation including, but not limited to, licensure, bonding, and insurance requirements; and (3) is determined by the County to be a responsible bidder by exhibiting the capability, capacity, experience, trustworthiness, and financial wherewithal to perform the work required under the bid solicitation.

To ensure that the contract is awarded to a responsible contractor with a satisfactory history of performance, bidders are required to report violations of the False Claims Act, criminal convictions, civil litigation, defaulted contracts with the County, complaints filed with the Contractor's State License Board, labor law/payroll violations, and debarment actions. As provided for in Board Policy No. 5.140, the information reported by the contractor will be considered before making a recommendation to award.

The plans and specifications include the contractual provisions, methods, and material requirements necessary for this project and are on file with Public Works.

ENVIRONMENTAL DOCUMENTATION

On February 21, 2006, Agenda Item 40, your Board found this project categorically exempt from the provisions of the California Environmental Quality Act.

CONTRACTING PROCESS

This project will be contracted on an open-competitive bid basis. A recommendation for award by your Board will be made after review of the bids. The contract will be awarded to a responsible contractor who submits the lowest responsive bid meeting the criteria established by your Board and the State Public Contract Code.

To increase contractor awareness of Public Works' program to contract work out to the private sector, this project will be listed on the County website for upcoming bids.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

When the project is completed, it will have a positive impact by providing improved highway facilities for the traveling public, which will benefit the community.

CONCLUSION

Please return one adopted copy of this letter to the Department of Public Works, Construction Division.
